### Corporate and M&A

Technology, Communications and Digital

Real Estate

Data Economy, Privacy and Cybersecurity

---

Estíbaliz Colina is a principal associate in the Corporate Department at Garrigues. She specialises in corporate law and commercial contracts, mergers and acquisitions (M&A), as well as data protection and information technology law. She has extensive experience in advising national and international clients on commercial contracts, M&A transactions, corporate law (acting as secretary not a member of the board of directors in many national and multinational companies), as well as advising clients in various sectors on privacy, information technology, e-commerce and cybersecurity. She is a Data Protection Delegate in accordance with the Certification Scheme of the Spanish Data Protection Agency (AEPD-DPD).

### Experience

Estíbaliz Colina is a senior associate in the Commercial Department of Garrigues (Bilbao office), which she joined in 2010. From 2005 to 2010 she developed her professional career in the M&A Department of Deloitte, S.L. (Madrid office).

She has extensive experience in advising national and international clients on commercial contracts, M&A transactions (including share and equity transactions, real estate transactions and joint venture transactions), corporate law (acting as secretary not member of the board of directors of several national and multinational companies), as well as in the area of corporate law (acting as secretary not member of the board of directors of several national and multinational companies), as well as in the area of corporate law. She also advises on personal data protection (including adaptation processes, legal audits, compliance projects and legal management of cyber-attacks and security breaches), information technology and e-commerce.

### Academic background

- Degree in Law with a specialisation in economics from the University of Deusto.
- Master's Degree in Business Legal Consultancy at the I.E. Business School.

- Executive Master's Degree in Digital Law and Technology at Centro de Estudios Garrigues.
- Data Protection Delegate Programme organised by Thomson Reuters (Editorial Aranzadi).
- Programme on Digital Impact in the Legal Sphere: Blockchain and Artificial Intelligence organised by Centro de Estudios Garrigues.

## Teaching activity

Estíbaliz is a regular speaker at specialised forums such as ICEX, the Basque Association of Economists, Basque Health Cluster and B-Venture, and has taught at Centro de Estudio Garrigues (Executive Master's Degree in Digital Law and Technology), as well as given webinars and training sessions on privacy matters for Garrigues' clients.

## Memberships

Estíbaliz is a member of the Madrid Bar Association.
