Tax

Mergers & Acquisitions

Real Estate

Iokin Más is a partner in Garrigues' Tax department and provides legal, tax and accounting advice to companies and entities of all kinds. He has extensive experience in reorganization and acquisition processes, tax due diligence reviews, internationalization, transfer pricing and real estate taxation. He holds a degree in Law, majoring in economic law from the University of Deusto. He has completed his academic training with several master degrees in tax consultancy, economic & financial management and international taxation. He has also completed specialisation courses in transfer pricing. He has been recognised in recent years by the legal directory Best Lawyers. And since 2021 he has been co-director of the Aranzadi Tax Forum, which brings together, on a monthly basis, tax authorities representatives and professionals of recognised prestige in tax matters.

Experience

Iokin has spent his entire professional career in the tax department of Garrigues and is a partner of the firm since 2019. He has worked at the offices of San Sebastián, Pamplona, Madrid and, currently, in Bilbao.

His practice focuses on providing ongoing and comprehensive tax, legal and accounting advice to companies (both domestic and international), including listed companies, state-owned entities and nonprofit entities, in all areas of tax law from the regional (Basque Country) and the central government standpoints

He has extensive experience in reorganization and acquisition processes, tax due diligence reviews, internationalization, transfer pricing and real estate taxation.

Since 2021, he is co-director of the Aranzadi Tax Forum held in Bilbao, which holds a monthly conference on a topic of particular relevance in the field of taxation, attended by speakers from the administration as well as renowned professionals in tax matters.

Iokin is fluent in Spanish, English and Basque, and has knowledge of French.
