Tax

Mergers & Acquisitions

Yamila Reinides is a Senior Associate in the Tax Department at Garrigues. She has wide experience providing advice to domestic and international clients regarding tax consulting linked to the execution of their business activities, development of tax planning strategies, international taxation, due diligence processes and transfer pricing matters. Furthermore, she has experience providing tax advice during tax audits performed by local tax authorities and tax procedures. Degree in Law, Universidad del Pacífico. Master of Law (LL.M.) with specialization in International Business Taxation, Tilburg University, The Netherlands. She is also an active member of the Lima Bar Association and the Peruvian Institute of Tax Law.

Experience

Yamila Reinides is a Senior Associate in the Tax Department at Garrigues since 2023, a firm she joined in 2017. In her professional activity she has carried out the following:

- Advice to domestic and international clients on tax consulting issues associated with the execution of their business activities, business implementation, development of tax planning strategies, corporate reorganization processes and international tax matters.
- Participation in due diligence processes to companies from various industries such as: mining, means of payment, telecommunications, health, logistics, manufacturing, gambling, among others.
- Advice on transfer pricing matters and accompaniment in litigation related to this matter.

Furthermore, she has wide experience providing tax advice during tax audits performed by local tax authorities and tax procedures.

Academic background

- Master of Law (LL.M.) with specialization in International Business Taxation, Tilburg University, The Netherlands.

- Associate's Degree in Financial Management of taxes and Corporate Taxation, Universidad ESAN.
- Associate's Degree in International Taxation and Transfer Pricing Rules, Universidad ESAN.
- Degree in Law, Universidad del Pacífico.

Teaching activity

Yamila is a regular speaker at several events on tax matters organized by FORSETI, the Civil Association of Law & Society of Pontificia Universidad Católica del Perú (PUCP) and the Peruvian Institute of Tax Law.
