Intellectual Property

Victoria Gigante is a principal associate in Garrigues' Intellectual Property Department, specialized in Intellectual Property, image rights and freedom of speech, unfair competition and advertising, with a particular focus on the entertainment industry. She has extensive experience in providing recurring advice on contractual matters and in the exercise of legal actions for the defense of the above rights in both civil and criminal proceedings. Victoria collaborates on a recurrent basis with the Magister Lvcentinvs promoted by the University of Alicante and with the program ETDM EP for practitioners organized by the EUIPO and is a professor of the Master in Intellectual Property and New Technologies offered by the International University of Valencia (VIU). She is a member of the association Women in a Legal World (WLW) and DENAE, and has been ranked in the international directory IP Stars.

Experience

Victoria joined Garrigues' Intellectual Property Department in 2011. Throughout her professional career, she has been involved in highly complex matters, including the following:

- Legal proceedings in connection with the infringement of plant variety rights, trademark rights, unfair competition and registered designs.
- Management and direction of complex negotiations and advice on contractual matters in various sectors such as artificial intelligence (AI), audiovisual industry, consumer legislation, sports, sponsorship activities or trade secrets.
- Intervention in legal proceedings before the General Court and the Court of Justice of the European Union in trademark and plant variety matters.
- Design of portfolio protection strategies in relation to the management of intellectual and industrial property rights and new technologies.

Finally, she has extensive experience in strategic and recurrent advice to companies in sectors as diverse as agriculture, biotechnology and ceramics.
