Administrative and Constitutional Law

Energy

Carla Martini is a senior associate in the Administrative Law department in the Santiago de Chile office, where she has been practicing since 2015. Her practice focuses on administrative law, energy, infrastructure and natural resources matters.

Carla obtained her law degree from Pontificia Universidad Católica de Chile, she worked as an foreign associate at the Italian law firm Gianni & Origoni during the years 2021-2022 and she completed a Master in Energy and Natural Resources Law at the University of Melbourne, Australia, during the years 2022-2023.

Experience

Carla has experience in providing legal advice on public law and regulatory matters, with a focus on the energy, water and transport sectors. She is also involved in the administrative law review of due diligence processes in the context of M&A and financing operations.

She also advises on public tenders and administrative procurement.

Carla worked as a foreign associate at the Italian law firm Gianni & Origoni during the years 2021 and 2022, working in the corporate, energy and infrastructure teams of the Rome and Milan offices.

Academic background

Carla obtained her Law Degree from Pontificia Universidad Católica de Chile (2013), with an academic certificate in Public Law.

In 2017 she completed a diploma course on "Water Management and Regulation" at the Pontificia Universidad Católica de Chile (2017).

During the years 2022-2023 he studied a Master in Energy and Natural Resources Law at the University of Melbourne, Australia.

He has also been assistant professor of Roman Law at Pontificia Universidad Católica de Chile between 2010 and 2015, and of Administrative Law at the same institution in 2018.

Memberships

She is a member of the Chilean Bar Association.
